PROJECTS

Pc Building

2020

- I acquired all the required parts to build a computer and used them to build my own. This includes installing all the parts, wiring to every necessary port, and optimizing the setup and settings of the computer.

College Student Budget Committee

- I was one of the members of my college's student budget committees. We were responsible for how the budget was allocated to student services and activities, clubs, and student-led organizations in the year 2023.

AWARDS AND EXPERIENCES

Organizations: Phi Theta Kappa, Seattle Central Student Services and Activities Budget Committee

2022

Community Service: Recovery Café

2023

Experiences: Phi Theta Kappa Catalyst. 2014,16,17

OTHER EXPERIENCE

Cook/Server, LT's BBQ, Seattle, WA

May 2019 - Dec 2020

- Was the main on-site cook.
- Trained new hires.
- Was able to stay disciplined and reliable which allowed me to work long hours.

Server/Closing shift, Cookies with Tiffany, Seattle, WA

April 2022 - April 2023

- Trained New Hires
- Was managing the shop alone during my shift.

Server/Kitchen Assistant, Bistro Turkuaz, Seattle

June 2023 – Present

- Trained New Hires
- Was the only server at the restaurant, and had to handle many tables on my own, while still helping in the kitchen
